Children's & Family Recording Artist Releases New CD

I would like to take this opportunity to introduce a new CD from Songwriter and Performer Chip Richter. There's a good chance you have never heard of him... yet, but if you Google him you'll see he's for real and been around for awhile... just venturing into a new arena.

Singer-Songwriter Chip Richter serves up stories, songs, and smiles "Family Style". Chip's Family Concerts feature something on the menu for everyone. It's a recipe for "more fun than a kid should be allowed to have" as Chip delivers healthy portions of love and laughter for all ages to enjoy! Touring nationally both as a solo artist and with his band "The Munks", Chip's delightful performances are filled with his gentle spirit, pleasant and winsome style, and an unmistakable connection with family audiences. Attending one of Chip's Family Concerts is truly a unique experience because it's not a "kids show" and it's not an "adult show"... it's exactly what it's billed to be... an all age event... FAMILY CONCERT!

Chip's music is receiving airplay on many kids and family radio programs around the country. Chip's sound and style has been compared to James Taylor and [Phil Keaggy](#). In fact Chip covers a JT tune on this CD as well as a Paul McCartney tune that he recorded with friend [Phil Keaggy](#) in Nashville. The rest of the project was recorded in Chip's own "Nutshell Studio" with his band The Munks. Chip wanted to capture the same kind of energy and fun we see at "live" shows on this project and they had a lot of fun working on this. You can actually join in the fun by checking out the "making of" this project in a series of short videos called the "[Nutshell Studio Video Blogs](#)" posted on YouTube. Chip talks about how several of the songs came about and about the recording process, you even get to go along to Nashville, go back stage at a Chip and The Munks concert and meet Chip's dog Biskit! We designed these videos to be fun and educational for kids to watch.

Thanks for listening,

Chip Richter is one of those rare performers who makes you feel like you could jump up on the stage and put your arm around him while he's singing. He's the real deal, as genuine and kind on stage as he is in real life, and that's why children and their parents love him." -Zak Morgan- (Gammy Nominated Children's Performer)

"If you love music and love kids, you and your kids will really enjoy the music of Chip Richter. He has a unique gift to connect with adults as well as kids. His music makes you feel welcomed and embraced with lots of love and laughter." -Phil Keaggy- (Dove Award Winning Guitarist/Singer-Songwriter)

"With upbeat tempos, fun tunes, smart and encouraging lyrics, singer-songwriter Chip Richter tells us just how special we all are." -Parent Review
